

To the Directors,
Newcastle Village and District Historical Society

At the request of the Society's Treasurer, I have reviewed the Society's financial report for the fiscal year ended December 31, 2022. The financial report summarizes all cash transactions for the year and the cash balance on hand at the year end.

My review was designed to determine whether the financial report fairly reflects the information provided therein. On the basis of my review, I have concluded that the financial report faithfully reports the cash transactions and cash balance recorded in the Society's records.
